A college such as Co-Lin is nothing more than buildings on a plot of ground without people to give it personality and identity.

There are a few truly dedicated teachers whose personal qualities not only add to but magnify the image of the school in the academic, social, and spiritual realms.

By giving over half of their lives in the interest of others, they have not only educated their students, but have also given each one a little part of themselves. Their encouragement and understanding will long be remembered by their students. Fellow faculty members find this teaching team most congenial, cooperative, and helpful. Co-Lin is lucky to have such people. The 1974 Trillium is proudly dedicated to Mr. and Mrs. Fred E. Thompson.

# CL beats Delta, Marion

CO-LIN 21 MISSISSIPPI DELTA 13

Defending state champions, Delta Trojans, who went on to defend their title, lost to Co-Lin 21-13 in the season opener. In mid first quarter Steve Case scored on a one yard plunge with David Hopkins kicking the PAT. The Trojans equaled the tally in the second on a pass from Burgess to Fratesti with Mims' PAT good. Jake Russell scored on a one yard plunge with Hopkins adding the extra point in the third. Trojan Willie Dixon quickly took the Co-Lin kickoff and raced 91 yards to score. Russell added the final score on a nine yard run after Walter Showers grabbed a fumble on the Trojan 25 yard line.

CO-LIN 24 MARION (Ala.) INSTITUTE 6

Played in Natchez, the Wolves beat favored Marion Tigers 24-6. Hopkins kicked a 40 yard field goal in the second quarter. With 48 seconds before half, Darnell Charrier recovered a punt on the 42 yard line. Russell passed 19 yards to Danny Williamson for the score with Hopkins adding the PAT. With 26 seconds left in the half, the Tigers scored on a 7 yard run by Mike Utter. Steve Case scored on a 3 yard plunge in the third quarter with Hopkins again adding the PAT. Jimmy Baldwin intercepted a Tiger pass, setting up Russell's yard pass to Charrier for the final score. Hopkins' toe was true again.

In their third victory, the Wolves whipped the Bulldogs of Holmes 23-14. Tommy Glass opened scoring for the Wolves in the first with a one yard plunge. Russell passed 3 yards to Williamson with Hopkins adding the PAT. Hopkins kicked a 42 yard field goal in the second, giving a 16-0 halftime lead. The Bulldogs came back, making two quick scores in the third. Russell passed 20 yards to Williamson for the final score, with Hopkins doing the successful kicking honors.

CO-LIN 0 GULF COAST 14

A showdown with equal 3-0 records came in Stone Stadium between the Wolves and the Coast Bulldogs, then ranked fifth in the nation. Averaging 32 points per game, the Dogs were held to only 14. Art Kennedy slipped 31 yards for the initial touchdown with Saia's PAT good. Hopkins' field goal attempt failed for the Wolves. In the third, Kennedy plunged three yards for paydirt with Saia kicking the extra point, giving the Coast a 14-0 victory.

Fullback Steve Case scored both Co-Lin touchdowns from one and three yards out, one in the first and the other in the third period. David Hopkins added three points to the scoreboard in the second with a 40 yard field goal, giving the Wolves a 9-0 lead at the half.

CO-LIN 41 SOUTHWEST 0

Smashing the Bears 41-0, the Wolves were now tied with Gulf Coast for second in the south conference. Darnell Charrier scored on runs of 1, 9, and 28 yards. Jake Russell scored on a three yard run, while Vance Self crossed one yard, and Tommy Glass added another score on a three yard plunge. David Hopkins added five extra points. CO-LIN 6 EAST MISSISSIPPI 22

East Mississippi's Lions stunned the Wolves 22-6 in a homecoming tilt, dropping the Wolves to 5-2. In the second the Wolves capitalized on a Lion fumble and recovered on the 22. Jimmy Baldwin hit Steve Case who plunged 2 yards for paydirt. Hopkins added the extra point. With less than a minute left in the first half, Mark Seals chalked up 6 points for Scooba on a 3 yard pass with the PAT giving the Lions a 7-6 halftime lead. The Lions scored in the third on a John Mason to Mark Seals pass, with Mason making a two point conversion. A pass was picked up by the Lions and returned to the Wolves one yard line, setting up Jimmy Jackson's yard plunge for the Lions. The Wolves, who had beaten the Lions in their homecoming the year before, still had three games left.

CO-LIN 7 NORTHWEST 14

Dropping their third game of the season, the Wolves were down at the hands of the Northwest Rangers 14-7. Green scored on a yard plunge for the Rangers in the first, with W. L. Johnson adding the other score in the third with Green's two point conversion good on the second try. Co-Lin's lone score came in the fourth on a yard plunge by Tommy Glass. David Hopkins added the extra point.

# Wolves lose two games

# Wolves tie Wildcats

CO-LIN 7 PEARL RIVER 7

The high and mighty Wildcats of Pearl River, ranked fourth in the nation and undefeated, were shocked by Co-Lin's outstanding performance by tying them 7-7. This put the only blemish on their record for the regular season. The Wildcats went on to win the south crown but lost to Delta in the overall championship game. Wildcat linebacker Alvin Cucullu came up with the ball after a CL fumble and two plays later, J. W. Rawls dashed to the left side to give the Wildcats a 6-0 lead. Terry Adkins' PAT was good. Buzzing fans, expecting a romping victory, sat in disbelief as the Wolves continued to dominate the game. In the second period, the Wolves' offense got cranked up and started an 86-yard drive, climaxed by Steve Case's one yard scoring plunge. Hopkins' PAT tied the game and eventually clinched the tie. Following an unsuccessful field goal attempt, the Wildcats gave up their last chance in the game to score. Funny thing about jc football — tie the south division winner, beat the state champions and a team can still lose games.

CO-LIN 14 JONES 27

In their worst night of the season, the Wolves met bitter defeat at the hands of Jones' Bobcats, increasing their record to 3-6. The Bobcats took the lead in the first quarter to remain in command of the game throughout the rest of the game. Russell passed to Williamson twice for Co-Lin's scores with Hopkins adding both extra points. With a 5-4-1 record the season is finished.

In the past six years that Turk has been coach, the Wolves have advanced to four state tournament playoffs. This is the third consecutive playoff, losing to Northwest two years ago, beating Itawamba last year for the state crown, and Northeast this year. The Wolves entered the Region 7, NJCAA tournament held at Cleveland, Tenn. for the third consecutive year.

# Wolves grab Region 7 title; place 11th in national playoffs; end with 27-4 season

In addition to capturing the Mississippi Junior College championship for the second consecutive year, the Wolves became the first team ever from Mississippi to grab the NJCAA, Region 7 title. This represents the farthest any Mississippi junior college team has gone in basketball in 19 years.

The win over Cumberland (TN) Community College 72-71 gave the Wolves a 26-2 record, with only losses to Utica in tournament play. Cumberland, ranked fourth in the nation, ended with 35-2.

In the Region 7 tournament, the mighty Wolves had wins over Martin (TN) 98-83 in semi-finals; Elizabethtown (Ky) 97-64 in quarter finals; and 102-97 in double overtime over Hiwassee 8 (TN) in the first game.

For the state championship the Wolves whipped Northeast 72-68 in the finals and downed Delta 83-77, north division champs. Utica, who won the south tournament over the Wolves 76-71, lost 70-60 to Northeast in the opening round. Northeast and Co-Lin had led all season in tournament play, with the Wolves posting a perfect 14-0 conference record. Wins for the Wolves in the south tourney were over Southwest 103-81 and over Hinds 101-64.

South division wins for the Wolves were over Pearl River 88-66, 110-80; Meridian 88-70, 91-60; Utica 81-77, 76-72; Jones 120-93, 103-68; Gulf Coast 95-79, 76-55; Southwest 108-86, 88-79; and Hinds 92-48, 92-48. Other wins were over University of Southern Mississippi junior varsity 108-62; 107-72 over Hinds 89-76 in the Hinds Invitational Tournament; over Mississippi Delta 92-68. The first game of the season saw Utica down the Wolves in the Hinds tourney 74-72.

In the Region 7 tournament, Marion Hillard nabbed Most Valuable Player in the tourney, while Coach M. K. Turk was named Region 7 Coach of the Year. Hillard, Lee Dixon, and Sammy West were three of ten selectees to the All Region 7 team.

The Wolves entered the national playoffs in Hutchinson, Kansas on March 19 as one of 16 junior college region winners.

The Wolves lost to Grand View of Des Moines, Iowa 100-87 in the opening round of the national tourney, but won over Niagara of Sanborn, New York 106-92. The season ended in the national tourney with a 99-84 loss to Hill Junior College of Hillsboro, Texas who went on to place fifth in the nation. The Wolves, ending with an overall 27-4 record, were presented the 11th place in the nation trophy. Mercer New Jersey grabbed the national crown for the second straight year. Only three teams had ever gone to the nationals and won the first year and oddly not a one had ever returned to the national playoffs.

# MDTA enrolls students in building, welding, clerical

An MDTA class being taught on campus, house building, began second semester. Sam Smith is the instructor for the class.

Co-Lin's Vocational-Technical Division through the State Department of Education offered a clerical office training MDTA program in Brookhaven which ended in December. Twenty students were enrolled at a time with Mrs. Sandra Jones as the instructor.

Beginning in January, an MDTA class in house building was begun on campus with Sam Smith as instructor.

Also, the old power plant in Brookhaven was renovated for class and laboratory space for an MDTA program in welding. Lamar Foote is instructor. Twenty students are enrolled at a given time in the program. MDTA stands for Manpower Development Training Act.

Mrs. Sandra Jones, instructor, is shown with a student at the Co-Lin MDTA center in Brookhaven where a clerical office class was held through December.

# Adult night classes attract hundreds of students

In addition to night classes on the main campus and on the Natchez campus for academic credit, a wide variety of non-credit adult classes are conducted on the main campus.

Academic classes offered for credit on the main campus include Freshman English, mathematics, biology, general psychology, and World History. A large night program is offered in Natchez.

In the vocational-technical division, among non-credit classes taught during the year were auto mechanics; auto mechanics for women; air conditioning, heating, and refrigeration; cabinet making; bricklaying; income tax preparation; Programming Cobol and Key Punch; industrial safety and first aid; Housewiring; DC Circuits; record keeping; beginning and advanced typing; shorthand; beginning and advanced welding; drafting; supervisory training; fundamentals of law enforcement; commercial art; data processing orientation; cake decorating; drapery construction; supervisory training; architectural drawing; machine shop; retail business management; beginning sewing; drapery construction; and new technique and construction, modern fabrics.

An off-campus course was offered in Meadville at Franklin Memorial Hospital in nurses aid.

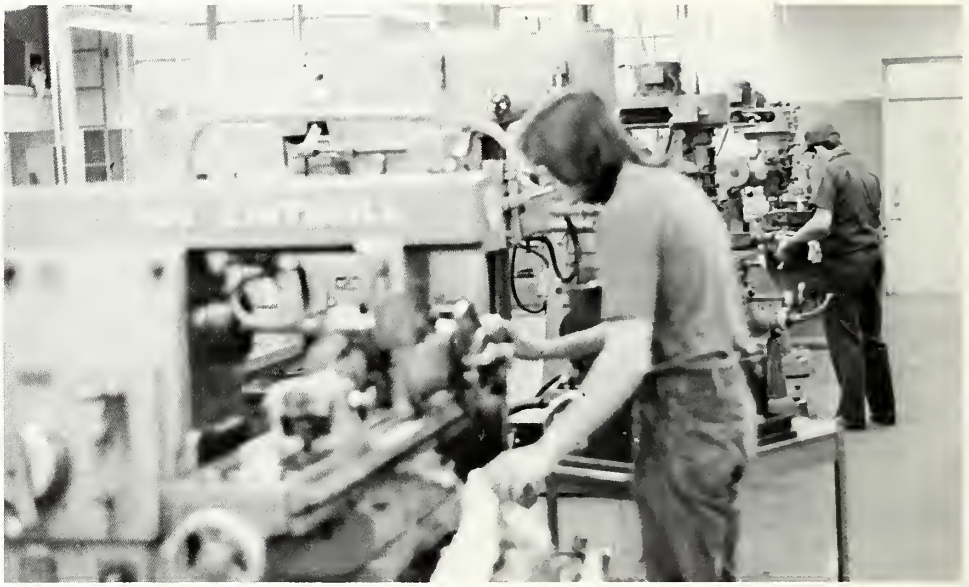
Night non-credit adult classes are offered to those over 16 years of age. Classes usually meet one night each week for three hours. Length of the course varies. A small charge is made to those enrolling.

# New skills learned in night vo-tech classes

These three pages on night adult vocational-technical classes include pictures from secretarial science courses, art, bricklaying, air conditioning and refrigeration, cake decorating, drapery construction, machine shop, and others.

Upon completion of each course a certificate is awarded.

Purposes of night classes are to prepare, upgrade, or supplement adults in vocational and technical skills.



# Adults upgrade themselves through night classes

## Workshops, clinics, conventions, meetings

Copiah-Lincoln Junior College, the educational center of the district, hosts many workshops, clinics, conventions, and other general meetings throughout the school year.

Typical of the clinics on campus were a series of meetings offered by the home demonstration agents in a three county area on such topics as flower arranging, etc.

Meetings such as a joint legislative-supervisors meeting, a district 4-H Club meeting, deacon's meetings, civic clubs, etc. also met here.

Co-Lin's Wolf Tales hosted the Mississippi Junior College Press Association in April and a vocational workshop drew instructors from across the state.

Meetings of all types were held on campus during the year, helping Co-Lin to truly serve its district.

# Senior Aides assist public service agencies

Copiah-Lincoln Junior College, the only college in the nation to have such a program, is the sponsoring agency for the SENIOR AIDES program. The program here is only one of two in Mississippi and one of 33 in the nation.

A federally-funded project, sponsored by the National Council of Senior Citizens, the program is open to those 55 years of age or over who are unemployed or underemployed.

The program encompasses ten Southwest Mississippi counties, including Adams, Amite, Copiah, Franklin, Jefferson, Lawrence, Lincoln, Pike, Walthall, and Wilkinson.

Forty Senior Aides are employed by Co-Lin and work on campus, at Southwest Junior College, McComb, Tylertown, Woodville, Natchez, Monticello, Bude, Brookhaven, Enterprise, Bogue Chitto, Magnolia, etc.

Presently there are eight senior aides employed on Co-Lin's campus. They include Mrs. Dollie Britt, faculty aide, Science Department; Mrs. Nina Nadine Hurt, library aide, Oswalt Library; Clarence Hutson and Robert Maxwell, janitorial aides, campus; Mrs. Grace E. Noble, administrative aide; Mrs. Margaret Tyson, bookstore aide; Mrs. Mary E. Webb, faculty aide, Fine Arts division; and Mrs. Hattie Mae Hughes, library aide, Oswalt library.

At Southwest Junior College, there are two bookstore aides and a library aide.

In the towns and cities, aides are employed at hospitals, employment offices, Percy Quin State Park as recreation supervisors, as youth counselors, clerical aides, library aides, guide aides, dispatch clerk aides, and teacher aides.

Edgar W. Martin, director of adult education, is administrator for the program.

# Hundreds attend ABE classes

Several hundred adults are expected to enroll in Adult Basic Education during the school year. In the past two years over 2,000 persons in the district have taken ABE classes.

Adult Basic Education is offered to those 16 years of age or older who have not completed high school. Upon completion of the three cycles, a student may take the General Educational Development (GED) test, the equivalent of a high school diploma.

Instruction is from grades 0-12. Local teachers serve as instructors with classes usually meeting at the local high school.

Edgar W. Martin, director of adult education at Copiah-Lincoln, heads the ABE division, with Harold Luther Smith as part time counselor.

Classes this year were held at Magee, Mendenhall, Calvary Bible Institute, West Union, Crystal Springs, Wesson, Hazlehurst, Newhebron, Monticello, Topeka-Tilton, Bogue Chitto, Enterprise, Loyd Star, Fayette, Meadville, and other centers.

There is no cost to attend adult basic education classes. Materials are furnished free of charge.

# Natchez Center enrolls 350 during fall quarter

Located at the former Central School in Washington, the center offers a full academic program. Both day and night classes are held. Ten full time and thirty part time instructors are on the staff. Facilities include two buildings located on 24 acres of land.

Director of the center is Eddie M. Smith, who holds a master of education degree from Mississippi State University with additional work from University of Southern Mississippi.

# TREES .. *and Your Future*

**Twenty years from today, will the career you choose continue to offer you growth and challenge?**

The pine seedling planted today will be a mature tree then, ready for making into paper and thousands of other products made from trees. Indeed, the South is secured by its fast growing forest and the industry it supports. No industry in this industrial nation has a more certain demand for its products than the forest industry, and you can be a part of it.

Think of the paper business. Think of tree farming and forestry. Timber is a crop, perpetuated and conserved by skilled forestry practices.

St. Regis, a leader in Southern industrialization and forest management, invites every ambitious youth to take a look at forestry as a profession, and the paper industry as a challenging career.

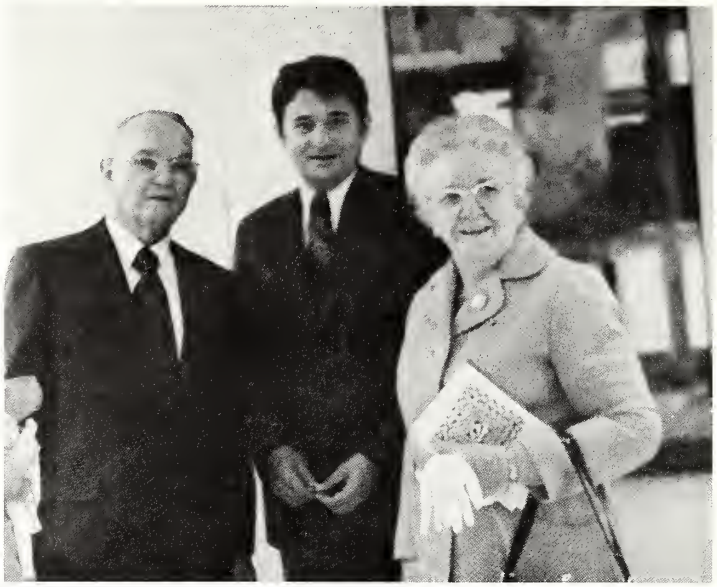
# In memory of . . .

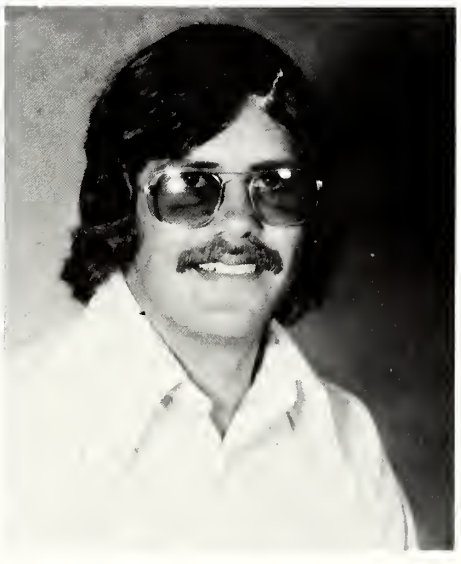


Shown with Dr. Ewing *(left)* are President Billy Thames and Mrs. Maggie Flowers Ewing during open house at Co-Lin's Ewing Fine Arts center last spring.

DR. J. M. EWING, president of Copiah-Lincoln from 1932-1956, was Co-Lin's second president. After leaving Co-Lin, he served as president of Delta State College until his retirement in 1971. He and Mrs. Ewing, the former Maggie Flowers, resided in Clinton. Dr. Ewing died September 8 following complications after surgery. The administration building is named for him and the fine arts center for Mrs. Ewing, both of whom were instrumental in Co-Lin's early history as a junior college.

Miss Willie Mae Hamill

Death came in late June, 1973, to Miss Willie Mae Hamill who had been a member of Co-Lin's faculty since 1946. For the past five years she was chairman of Copiah-Lincoln's humanities division. Miss Hamill was sponsor of Phi Theta Kappa for 16 years and was active in many educational, professional, and religious organizations. The 1973 Trillium was dedicated to her and even though she was forced to retire in March because of her health, she was able to return to campus for a special dedicatory ceremony in late May. Copiah-Lincoln truly lost two friends in the deaths of Dr. James M. Ewing and Miss Willie Mae Hamill.



Fredrick C. Jordan

Fredrick C. Jordan, a sophomore at Copiah-Lincoln Junior College — Natchez Center, was drown on a fishing trip, along with a brother-in-law, just before Christmas.
